Allowable Subject Matter

1. Claims 1-20 are allowed.

2. The following is an examiner's statement of reasons for allowance:

None of the cited references in combination with other limitations of claim teaches or suggests a display apparatus, wherein said pixel circuit, said display control circuit and said supply region are formed by a stacking process in a manner such that at least part one of a data line transmitting luminance data and a selection line transmitting a write timing signal for the luminance data, which lines are connected to said display control circuit overlaps with said supply region in a stacking direction, as disclosed in independent claims 1, 4-5. The closest art (Huang et al., Kuriama and Sasuga et al.) disclose related apparatus, either singularly or in combination fail to anticipate or suggest these limitations obvious.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
